the world! I hope you have
a very special day!

Well, Happy Birthday Ined!
surprise surprise -) It's finally our leader
to get the birthday :D Well, I just
want to say be happy and relax
since it is your special day. May
you have more wonderful and exciting
birthdays to come :D ever!

I hope you have a great birthday.
I can't believe you're younger than
me! But I hope your wishes come true
and I hope that wish is that you stay
young forever! Getting older with your
mom is getting depressing! Keep doing what
you're doing and dream for take and
presents like you should on your special
day! I'm glad that I worked for you.
you're a great boss! ^.^ -StarlightDreame

Happy bday Ined! I can't
believe you are here! I get
older than me... but it's okay, I
will still be here to help you
the whole time.
